CGA Approves Sikorsky Agreement & Bradley Airport Begins Non-Stop Flights to Dublin on *CT-N Capitol Report: Week in Review*

Hartford, CT – This Friday at 7 p.m., Connecticut Network viewers will recap this week’s Special Session, where legislators considered a deal that would keep Sikorsky Aircraft in the state, and Connecticut’s first non-stop flight to Europe in nearly a decade on the latest episode of *CT-N Capitol Report: Week in Review*.

After an agreement was reached between Governor Dannel Malloy and Lockheed Martin last week, the Connecticut General Assembly met in [Special Session](#) on Wednesday to take action on an emergency certified bill which would keep Stratford-based Sikorsky Aircraft in Connecticut until at least 2032. The \$220 million agreement was passed by both chambers and is expected to be signed by Governor Malloy, but the deal still requires union approval.

Later that evening, Connecticut’s Bradley International Airport turned green as [Aer Lingus](#) officially began its non-stop service between Bradley and Dublin, Ireland. The inaugural flight marked the first time since 2007 a trans-Atlantic flight has taken place from the state’s flagship airport.

Capitol Report will also review the [Spending Cap Commission](#) as the group turns its attention to state employee pension costs, as well as the [Commission on Economic Competitiveness](#) which discussed priority areas for the state’s economic future.

Capitol Report: Week in Review summarizes the activity at the State Capitol during the week, using voice over and graphics to combine history, context, and next steps in the process with full-length excerpts from the week’s proceedings. The program premieres on CT-N every Friday night at 7:00 p.m., then rebroadcasts at Noon and 7:00 p.m. on Saturdays, 8:00 p.m. on Sundays, and 6:00 a.m. Monday mornings; check CT-N’s online program schedule for additional airtimes. Each episode runs between 30 and 60 minutes.
