Bipartisan Budget Talks Continue, House Dems Offer New Proposal and UConn Returns to Hartford on *CT-N Capitol Report: Week in Review*

Hartford, CT – This Friday at 7 p.m. Connecticut Network (CT-N) viewers will recap the latest on state budget talks, including a new proposal from House Democrats, and a ceremony to mark the opening of the new UConn campus in downtown Hartford on the latest episode of *CT-N Capitol Report: Week in Review*.

With the state in its eighth week without a budget in place, [legislative leaders](#) from both chambers met again on Tuesday to work towards a bipartisan agreement. The following day House Democrats released a biennial budget proposal that relies on revenue increases – including a rise in the state’s sales tax.

Meanwhile, across town from the Capitol, a ceremony was held for the opening of the new and long-awaited [UConn campus](#) in downtown Hartford. The campus, which is located at the renovated Hartford Times Building, will be welcoming students this fall semester.

This week’s *Capitol Report* will also review the [Medical Marijuana Board of Physicians’](#) changes to its recommendations on a few eligible conditions for the state’s program, as well as a meeting of the [Connecticut Airport Authority](#) where a former employee’s allegations against the quasi-public agency’s executive director were discussed.

Capitol Report: Week in Review summarizes the activity at the State Capitol during the week, using voice over and graphics to combine history, context, and next steps in the process with full-length excerpts from the week’s proceedings. The program premieres on CT-N every Friday night at 7:00 p.m., then rebroadcasts at Noon and 7:00 p.m. on Saturdays, 8:00 p.m. on Sundays, and 6:00 a.m. Monday mornings; check CT-N’s online program schedule for additional airtimes. Each episode runs between 30 and 60 minutes.

All episodes of *Capitol Report* are available online, in keeping with the network’s seamless integration of telecast and interactive content. Visit www.ct-n.com/CR for OnDemand viewing, annotated with synopses and links to related gavel-to-gavel coverage.
